The notification of 30th April 1897 (Map A) conferring 1st class magisterial powers on Mr Plumer, does not specifically define the local area within which, the powers are to be exercised. In the absence of such definition, the jurisdiction and powers would, under section 12 of the Code of Crl Procedure, extend throughout the Dt.

But from the Dt Magte's letter dated 17th April 1897 to the Registrar, High Court, recommending the investiture of Mr Plumer with the 1st class Magl powers, it appears that the recommendation was for the "disposal of first class cases arising within the Gold field limits."
